The ASA East Midland and West Midland Regions extend their thanks to :

SPEEDO for their generous support,

Sportsystems for the provision of the Meet Management software,

City of Coventry for supporting this event and for the use of the excellent facilities,

The Management and Staff of the pool for their co-operation and assistance in the preparation and running of the galas,

The Officials & Swimmers and all others who have contributed to the staging of these Championships.

The Midland Championships

As you may be aware, the ASA has created a new Regional structure to replace the previous Districts. The intention of this was for the new Regions to have the same boundaries as the relevant Sport England Region. This should help in accessing government funding and provide a more manageable Regional structure. The new Regions came into being on 1st October 2005, but have for the past 12 months been preparing for this change through Shadow Regional Boards.

The effect of this on the Midland District has been for the creation of three new Regions, the East, the East Midlands and the West Midlands. It was always expected that there may be a need for appropriate competition to be based over more than one of the new Regions and in looking at the numbers in the new Regions, the East Midland and West Midland Regions are the smallest in membership.

A considerable amount of work has been undertaken to look at the projected standards of competition in the separate Regions, and in conjunction with discussions with the National Technical Committees, it has been agreed that in order to provide an appropriate level of competition, in line with the other Regions, for the foreseeable future the East and West Midland Regions will run joint Championships in all disciplines, to be known as "The Midland Championships". This has been approved by the two Shadow Regional Management Boards, and by the ASA.

A Joint Championship Group has been set up to monitor the events, with Joint Management Committees for each discipline responsible for the running of the competitions. The events will be funded jointly by the two Regions.

You will, therefore, now see events described as the Midland Championships and know that the entries are from clubs affiliated to either the East Midland Region (Derbyshire, Leicestershire, Lincolnshire, Northamptonshire & Nottinghamshire) or the West Midland Region (Shropshire, Staffordshire Warwickshire & Worcester County).

It has been agreed that there will be one winner for each event in these Championships (i.e. there will be no separate East Midland and West Midland Champions).

The first swimming event was the Long Course Championships in November 2005 and this Midland Youth Championships is our second regional event.

For further information on the new Regional structure contact:
