

Joint East & West Mids Water polo Senior Men Championships
East Mids Qualifying Round.

The event took place at Hucknall Leisure centre on Sunday 21st February 2010.

This year Grantham Kings, Hucknall A and Nottingham had entered the Championship and Hucknall B and Southwell. A five team tournament had been scheduled, however unfortunately the adverse weather meant that Grantham Kings were unable to take part.

This meant a hastily re-arranged 4 team event took place and newly crowned National League Div 3 champions Hucknall proved too strong for all opposition winning all their games. Nottingham finished in second place and Southwell third.

This meant the Hucknall and Nottingham qualify for the Championship Semi Finals and Southwell for the Plate Final, both to be held at Walsall on the 7th March 2010
