Time	Commentary
70:00	Incident Full time. A most unconvincing performance by GER. Whilst they dominated the stats and ball possession for the game, UKR had their chances to equalise in the last 5 mins of the game. GER lacked spark in attack whilst UKR defended with great passion. PC count: UKR 1 GER 6. Field shots: tba
58:43	Goal Kollmar scores straight after the restart after a messy goalmouth scramble. GER looking to run away with the game.
57:15	Goal Kollmar scores for GER off their 6th penalty corner from a variation to the right post.
38:34	Goal Vorushylo unexpectedly scores for UKR with a hard shot from the top of the circle past Walter (GER GK) after a pass from the left.
36:15	Second half is underway. GER should rise over UKR who would be expected to tire as the half progresses.
35:00	Incident Half time. 0-0. A strong start to the half by GER although all their ball possession and field advantage converted to very little in terms of attacking shots and corners. UKR worked their way back into the game in the last 7 mins of the half to actually begin to look dangerous on a few occasions. PC count: UKR 0 GER 1. Field shots: UKR 1 GER 3.
01:26	The game in underway. GER expected to be easy winners against UKR.
