**Time** Commentary

- 70:36** FULL TIME: Umpires reverse the PC after back chat by ARG players. However it doesn't spoil a good win to Argentina against a team seeded higher than them. Energetic second half effort with the dangerous Lucas Vila leading the way up front.
- 70:17** Ball flies high off the glove off GER goalkeeper to force another PC
- 69:38** PC ARG
- 62:27** Shot by Facundo Callioni (ARG) hits the helmet of GER goalkeeper
- 60:24** **Goal**  
Furste shows good stick work to get clear of the oncoming defence at the top of the circle and fire the ball home
- 59:49** GER PC.
- 56:27** **Goal**  
Goal ARG. Brilliant team work with Vila feeding Rossi on the top left of the circle with a delicate touch to wrong foot the defence. The extra space gave Rossi time to take the ball inside the circle and blast past a helpless Jacobi (GER)
- 54:21** Danger for GER as Corradini is allowed to carry the ball along the right backline. However no ARG players can get on the end of his pass across the face of goal
- 51:44** **Goal**  
Goal GER. GER score to give themselves a chance. Well taken shot from the left of the circle by Fuerste
- 47:41** GER allowing too much space between their attack and defence. They need to tighten their play or ARG will continue to exploit the space in the midfield with searching counter attacks
- 45:07** **Goal**  
Goal ARG. Argento slides from the left and deflects Ibarra's pass over a prone GER goalkeeper into the net. ARG on top and looking confident
- 44:49** PC ARG. Counter attack by ARG swept upfield. Argento given a well-weighted pass but is obstructed by GER goalkeeper who was forced to move off his line and make an attempted interception
- 43:45** ARG chance again. Pedro Ibarra (ARG) tries the same move as Vila but his shot is just over the top of the goal. Let-off for GER
- 40:23** **Goal**  
Goal ARG. Lucas Vila took the ball from the 25 yard line and withstood the attempted tackles of three GER defenders before drifting to his left and firing a reverse stick into the roof of the net
- 37:57** Chance for ARG. Shot by Corradini from the top left of the circle flashes across the face of goal
- 35:00** HALF TIME: An entertaining first 35 minutes. Both teams had good chances but neither were able to find the final avenue to the net. ARG pressing the GER defence well and making them play a quicker tempo than they would like. GER however are proving capable of breaking through the attention of the ARG strike and midfield lines and finding space in behind their opponents
- 34:14** Argento (ARG) has a shot at goal but misses the ball after receiving possession from Juan Saladino from deep on the right side of the pitch
- 32:13** GER take ball upfield on a swift counter attack but good defending inside the circle by ARG prevents the shot at goal
- 31:43** Third time proves unlucky for ARG as Mariano Corradini's flick travels wide of the left post
- 30:30** PC attempt hits GER defender on the foot for 3rd PC to ARG
- 29:59** Lucas Vila's (ARG) flick stopped by runner Johannes Purps (GER). Ball fell and ARG earn another PC
- 28:27** PC ARG for lifted ball after save by GER goalkeeper Nicolas Jacobi
- 26:31** **Incident**  
Green card Moritz Fuerste (GER)
- 21:57** Error by GER on the initial drag flick. Maximilian Mueller (GER) attacked the loose ball and forced ARG goalkeeper Martin Dell Agnola to make a good smothering save
- 21:34** PC GER. Ball knocked deliberately over the backline by ARG defender after GER were able to break free from the midfield
- 19:36** GER willing to keep possession and wait for the opportunity but ARG strikers are working hard to press. Resulting in

- midfield turnovers and territorial advantage to ARG
- 14:32** Quick free hit by ARG released Tomas Argento through the inside left channel. He took the ball into the circle and off-loaded to Rossi to his right but his shot just missed the top right corner of the net. A good chance missed by ARG
- 12:07** Deflection on the right post from the PC variation missed
- 10:57** PC ARG for lifted ball from a GER stick after ARG free hit on the edge of the circle.
- 09:43** Action in the GER defensive circle with the dive of Tomas Argento (ARG) going without reward as he just misses a pass which came from the top left of the circle
- 07:08** Match being played at a much higher tempo than the previous clash between ESP and ENG. Neither team having a goal scoring chance but the ball is moving from one end of the field to the other in a free flowing start
- 00:00** The Pan American champions (ARG) and the tournament`s number two seeds (GER) meet in the sixth match of the BDO Hockey Junior World Cup. GER has dominated the Junior World Cup, winning four of the seven titles decided since the tournament`s inception.
