

South West Athletics Club Awards

The South West Club Awards have been introduced for the first time this year to celebrate and acknowledge the hard work and dedication shown by clubs, individuals and organisations in athletics. The following are all the nominations for the region, with each of the winners being considered for the national awards. Each nomination is valued and all are worthy of mention. A selected panel across the region decided on the winners and the decisions were very close in a number of categories.

I would hope this shows everyone how we appreciate the time and effort put in by those listed here and many other individuals whether they be official, coach or volunteer. We would like to acknowledge the high quality of the work done in the region. Congratulations to everyone and thank you to all who contributed the nominations.

Sonya Ellis
South West Regional Development Co-ordinator
