Time Commentary

71:22 The Sahara Man of the Match is Taeke Taekema.

70:00 End of the match. AUS still maintain their perfect record and are through to the final while the NED had the opportunity to finalize their berth in the final but failed today and depend on the results of coming games.

68:38 **Goal**

65:08 A free hit for NED from just outside the circle but DELMEE` s hit goes through and out the other side.

63:50 The NED have seemingly taken a look at the clock and decided it was time to go for the winning goal. They are suddenly much more explosive and aggressive.

60:42 Immediately defying the predictions, Matthijs BROUWER has the next great opportunity but his shot is deflected wide by MOWLAM.

54:37 AUS for the last few minutes has been the slightly more visible team, more active, and they at this moment appear likely to be the ones to score the next goal if there is a next goal in this game.

47:09 The match has reached a bit of a stand-off. Both teams are attacking, trying, probing, but both defenses are alert and well-organized so that nothing comes off the attempted attacks.

41:39 **Goal**

A flat hit slightly off the middle of the goal gives TAEKEMA the 50th goal of this Champions Trophy tournament.

41:01 PC for NED.

39:52 An attempt from the right by Teun de NOOIJER but MOWLAM saves.

35:00 End of the first half.

35:00 End of the first half. A hard fought and interesting match between the two best teams in this event that will in all likelihood be repeated on Sunday as the final.

34:10 An incredible run over three quarters off the field on the left side gets SMITH down deep into the NED half, but his pass across for BROOKS is too fast and BROOKS can` t reach it.

32:26 **Incident**

Green card for NED no. 16, Floris EVERS

31:11 A fantastic long ball into the circle from Derikx in midfield finds Ronald BROUWER alone at the top of the circle. His high shot on goal is saved

well by MOWLAM.

- 26:47 **Goal**
A rather precise flick by SMITH goes in just under the crossbar, leaving VOGELS without a chance.
- 25:26 PC for AUS.
- 19:46 **Goal**
PC for NED. A halfhigh flick to the right side of the goal beats Mowlam to give NED the equalizer.
- 12:55 **Goal**
Matt NAYLOR comes down the left side of the field and plays across for BROOKS who is positioned in front of the goal for the deflection, but he does not need to get involved as the ball goes into the goal off VOGELS` legguards. This has been the 2000th goal of Champions Trophy history.
- 05:12 The NED on the other hand make it obvious from the very start of the match that they really want this match, pressuring the AUS defense deep in their part of the field.
- 03:53 AUS, having 9 points and an as good as certain berth in the final, go into this match with much less urgency than the Netherlands - they field their second goalkeeper and have a starting lineup quite different from the usual.
