37:24	CHN are doing a good job of protecting their circle and allowing MAS to waste time by passing the ball around looking for an opening
35:01	The teams return for second half action. CHN are back to ten players. They'll be hoping the score remains 0-0 till they are back to their full complement of players
35:00	CHN have hung on to remain level at halftime, but with two players off for now with yellow cards how long will they last. MAS totally dominated the later part of that half. Well done CHN to keep it 0-0
