- 70' FULL TIME: ARG advance to the semi finals after a convincing win. AUS also benefit from this result and also qualify for the medal matches
- 70' Rosario LUCHETTI misses an open net from the right after the first hit was saved
- 70' ARG PC
- 68' A final chance for KOR perhaps with a pass from the left taking a deflection and rolling into the path of Jong Eun KIM near the right post. However she can't get her stick to the ball in time
- 68' Very little action on the pitch. KOR have taken the ball to within sight of the ARG circle but a loose free hit rolls over the back line
- 64' KOR creat a clear shot at goal but Jeong Sook PARK produces a weak effort which does not even require a save from the ARG GK
- 62' AYMAR creates a chance for GULLA but her lead towards the right post is a fraction too late to make contact with the ball
- 61' Carla REBECCHI makes a steal from KOR in defence and then joins the attack down the left before wasting a potentially good chace with a raised ball into the circle
- 59' Eun Young CHOI dispossesses AYMAR as she looked to find space to shoot at the top of the circle
- 58' ARG are working hard to limit KOR's options with the ball. Turnovers are hampering KOR's play
- 55' KOR need a win to remain in semi final contention but don't look capable of scoring three time before full time. The ARG defence has been far too strong so far in this match
- 52' ARG create a chance inside their scoring zone but a lack of control from Marine RUSSO sees the ball roll over the back line
- 50' KOR with some time spent in ARG territory. This time the ARG GK gloves a high ball wide for a long corner
- 47' An ARG turnover gives KOR a chance on the counter attack but Jeong Sook PARK puts the deflection into the pads of ARG GK Mariela ANTONISKA

- 44' KOR have a chance with the ball deepin ARG territory but a wild pass into the circle is cut off by ARG. No creativity from KOR at all in attack
- 42' Inconsistent play by KOR is making ARG's task very easy
- 37' KOR need to start creating some scoring chances quickly if they hope to ovehaul ARG. In the first half, they were poor at converting their circle penetrations into scoring shots
- 36' Second half underway

**35'** HALF TIME: ARG in control and seemingly heading towards the semi finals. An ARG win would also confirm AUS's entry into the final four

**34'** Despite the efforts of My Hyun PARK, ARG's gang tackling gives her no chance to penetrate the circle

**32'** ARG continue to place pressure on KOR when they are possession

**\*\* Goal: Luciana AYMAR (ARG) \*\***

**30'** ARG Goal. Luciana AYMAR scores a great individual goal with dazzling stick work outside the circle creating an open shot at goal after rounding the KOR GK

**29'** The ARG defence is too strong at the moment and turnovers are flowing from the KOR sticks

**26'** The match is being played at ARG's pace

**\*\* Goal: Alejandra GULLA (ARG) \*\***

**23'** ARG Goal. Alejandra GULLA lays her stick flat in front of KOR GK Ju Yong LIM and the ball flashes high into the net

**22'** ARG PC. A sweeping movement down the left results in ARG's first PC chance

**19'** Danger for ARG with Bo Mi KIM narrowly missing a long cross field pass that found her in space inside the ARG circle

**17'** Good positioning by Ayelen STEPNIK allows her to intercept a pair of dangerous KOR passes near the ARG defensive circle

**14'** Evenly-matched contest, however ARG have had slightly more possession than KOR, who have looked most dangerous on the counter attack

**12'** Only a lack of control in attack is keeping each scoring circle free of play. There is enough space in midfield for both teams to work

**10'** KOR intercept ARG free hit deep in their defence which gives them a chance to counter attack. However ARG win ball and two passes later the ball is back at the other end of the pitch

**8'** A very open midfield is allowing play to pass from one circle to the other. So far however there have been no scoring chances apart from KOR's first minute effort

**7'** Good defence from ARG inside the circle stops a KOR counter attack which started down the right and tracked infield

**3'** Play already rebounding from end to end at a fast pace

**1'** Very early chance for KOR with Hye Lyoung HAN unable to find the direction with a deflection from mid-circle after just 15 seconds
