

PRIVATE AND CONFIDENTIAL

CRB Disclosure Scheme

To assess whether your current disclosure is suitable we will need to contact the Countersignatory at the organisation who requested that you obtain your current disclosure. We will need to do this for the following reasons:

- To confirm that the details on the disclosure are correct and have not be altered; and
- To confirm that you are still currently employed by the organisation that asked you to obtain the disclosure.

Before asking the Countersignatory to release any information about your previous application we will need to obtain your consent. Please read, sign and date the statement enclosed. The Countersignatory will need to see a copy of the completed statement. You should also keep a copy of the completed statement for your own reference.

We may also need to contact the CRB Office. We will do this to ensure that the disclosure that you have provided is current and to confirm that the details are correct and have not been altered.

If you have any queries with regard to the CRB Disclosure Scheme please do not hesitate to contact me on 01509 632277 or by e-mail on sally.dicker@swimming.org.
